Culzean Castle and Country Park

Country Park

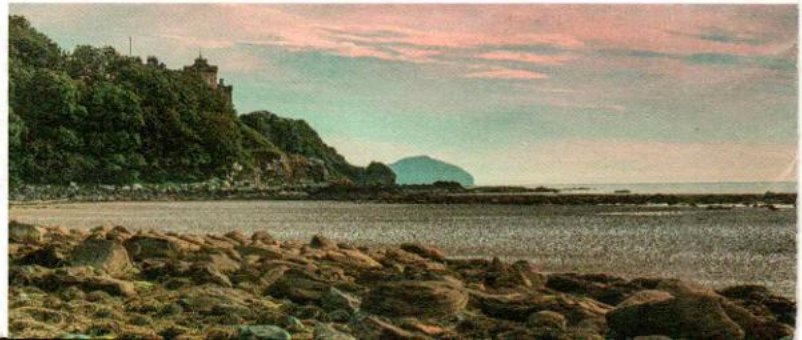
Culzean has 120 hectares of mixed woodland managed for shelter, production, amenity, and wildlife conservation. A variety of pathways allow access to mixed woodlands, small clearings, glades, and quiet glens. The rich diversity of habitats supports a wide range of animal and plant life. There are almost 3 miles of cliffs, rocky shore, and sandy bays to explore.

Culzean Castle

Discover Robert Adam's masterful centrepiece, the sweeping Oval Staircase with its soaring colonnades and grand oil paintings, as well as the unique Round Drawing Room, which has panoramic views over the Firth of Clyde.

Gardens

Our Walled Garden is one of two halves, one side designed for pleasure and the other as a produce garden. Enjoy a walk around to see what's in bloom and the wide variety of fruits and vegetables being grown. Fountain Court Garden is another not to be missed with a wonderful selection of curated plants.



Deer Park

Come face to face with one of Scotland's most iconic animals. There has been a deer park at Culzean since the 1750's; today a herd of red and fallow deer, as well as llamas, can be seen.

Home Farm

The original Farm for the estate designed by Robert Adam and dates from 1777. The former piggeries and cow byres have now been converted into our visitor centre with Culzean's Main Gift Shop and Café.

Ruined Arch and Viaduct

The viaduct and ruined arch were designed in 1780 as part of the grand entrance to Culzean Castle. Designed as a picturesque ruin it is a must for all photographers.

Adventure Cove and Wild Woodland

Culzean's legends and buildings inspired these unique play areas. Adventure Cove is a smugglers wonderland designed for under 5's; Wild woodland is a treetop adventure with treehouses, zip wires, climbing walls and slides, suitable for aged 5+.

Visiting with your dog

Culzean Castle and Country Park welcomes responsible dog owners.

Be on the ball

Remember that not everyone loves dogs so be mindful of other visitors, even in dogs' welcome areas.

Scoop the poop

Help us to protect nature by using the dog waste bins provided in the Country Park. Please don't 'stick and flick'.

Here are some tips to help you and your four-legged friends enjoy your day.

Dogs are welcome under close control (in sight and return immediately when called) in most of the Country Park.

Please keep them on a lead in the Walled Garden, Fountain Court Gardens and around all car parks and public drives.

Dogs on short leads are welcome in the Home Farm Kitchen café. Only assistance dogs are allowed in the Castle, Shops, Adventure Cove and Wild Woodland.
